Dear parents and carers,

We have a lovely website and like to send you regular newsletters letting you know about the wonderful activities your children enjoy doing at club. We enjoy celebrating the fun and play and hope you do too!

For your information, personal details or names of any child in a photograph will never be given in such a way that would allow them to be individually identified and any photographs will never be used for anything which may be viewed as negative in tone or that may cause offence, embarrassment or distress for the child or their parent or carer.

At The Holly Tree Club we take the issue of child protection very seriously and we would never knowingly publish an image of your child without your consent. Therefore, if you **do not** want your child to be in any photos that we put on our website or in our newsletter please inform Holly Morgan via email at thehollytreeclub@hotmail.com.

Please do get in touch if you have any queries.

Many thanks,

Holly Morgan
