

# Meet our wonderful and talented team of playworkers!

Hi I'm Holly. Before starting this club, I was a secondary school teacher in charge of outreach work with a number of primary schools in East London. I love interacting with all the children and getting to know them as individuals.

Hi. I am Anthony. I've been working with children for a number of years so have lots of experience. I also work at Halstow as an LSA so know the most of the children well and hope to be a fun and positive role model to all the children.

Hi I'm Kelly, I've been working as an LSA at Halstow for the last 9 years and at the Holly Tree for the last three years. I love working with all the children and seeing them grow as they go through the school.

Hi, I'm Natasha. I've been working at Halstow for 15 years and at the Holly Tree for two years. I love working with children and joining in all the fun!

Hi I'm Abbie. I thoroughly enjoy working at THTC as I get to see the kids continue their learning through play and have lots of fun with their friends after school. I have been working at Halstow as an LSA/TA for the last 7 years so I know all of the children really well!

My name is Cynthia and I enjoy working at The Holly Tree Club. I have a level 3 in childcare and I love working with children. I have two children of my own: a 15 year old and a 5 year old who both attend St Mary Magdalene School.

I'm Wilton I've worked with young children for many years starting off as a youth worker and teaching assistant. It's great working at The Holly Tree Club where the children are able to enjoy free play and just have fun!

I'm Maria. I am an Art and Support teacher with many years of experience working with children and young people. I love working at THTC because it is a fantastic club and I have the opportunity to have fun and learn with the children.

Hi my name is Alec. I started as an Early Years Practitioner and have been with the Holly Tree for over a year. I love seeing the children progress and grown in all aspects and feel privileged to be able to help them in any way I can.

Hi, I'm Salvador. I'm a qualified Steiner primary school teacher and a Steiner & Pikler level 3 early years educator. I like to help children become more confident and realise they can pull through any challenge. I do this at THTC through games and sport.

I'm Eleanor and I have a teaching background and a daughter in year 6. I've worked for the Holly Tree Club for 8 years and love watching the children make friends across the year groups and have the freedom to follow their interests and be creative in their play.

Hello, we are Agata, Courtney, Freddie and Zachary, we are 18, 15, 15 and 14 years old. We really enjoy playing games with the children and ensuring they have fun at The Holly Tree Club.
